

Thank you for your interest in the Catapult Entrepreneurs program.

Catapult Entrepreneurs is a business incubator and accelerator that serves Central Alberta. We provide support to entrepreneurs with a new business or an innovation to an existing business that is looking for assistance in developing their idea.

Catapult Entrepreneurs has 3 streams:

- In-House Entrepreneurs
- Program Entrepreneurs
- Regional Entrepreneurs

Each stream will assist entrepreneurs at any level in achieving self-employment or realizing that next step in their business plan.

Prior to meeting a Catapult Business Development Advisor (BDA) for the first time, we ask that you to complete this brief questionnaire, so we may gain initial insights into your business and plans. The purpose of this questionnaire is to provide a general overview of your business and idea to ensure that you meet the programs minimum requirements. Please complete by providing a few sentences or bullet points in each box. If you cannot answer the question, please indicate “Don’t Know”. A “Don’t Know” answer does not automatically disqualify you from the program nor does any other answer, this questionnaire is designed to ensure your idea meets the minimum requirements and are inline with our mandate.

The completed questionnaire should be emailed to a BDA at [info@catapultentrepreneurs.ca](mailto:info@catapultentrepreneurs.ca). Once the questionnaire has been completed and sent a BDA will be in touch with you to advise if you meet the minimum requirements and are eligible for the program. If you are eligible, a meeting will be set up with you to access what aspects of the program you will be involved with. Please be advised the information in this questionnaire will be used for internal purpose only within Catapult Entrepreneurs and with our formal stakeholders.
